Gather... Grow... Go...

Dear First Family and Friends,

### **What's Church?**

Many folks asking this question begin to describe buildings with white steeples, stained glass windows, bells in a tower, vaulted ceilings and long wooden pews facing a pulpit, communion table, baptismal font or a wall cross behind the choir loft. Others may answer it's a sacred space, a place set apart where God is encountered, locations that point to the Christian identity.

But buildings are not the limit to what a church is. Churches exist to house "Families of Faith." They serve as focus points where God's people gather. Our church is more than the building at the corners of Academy and Mulberry. Our church is what you're holding in your hand; it is people, called together as Christ's people in Western North Carolina. Like Scripture says (Colossians 1:18) we are here as part of Christ's body in the world. We are connected to each other through the God who calls us to be together. If you find yourself living just down the street or on the other side of the world, through the Spirit, we are always together. We are friends and members, called to love each other and the world.

I invite you to use this directory as a way to connect with each other. And as the information changes and grows, use this directory as a living document. Cross things out, add information, and keep space open for the new names and addresses as new people join this "Family of Faith." This is First Presbyterian of Cherryville. This is Christ's Church. We are living, witnessing and doing God's work.

Yours In Christ.
